Your Rights and Protections Against Surprise Medical Bills and Balance Billing In Washington State

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing.

What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or a deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

“Out-of-network” describes providers and facilities that haven't signed a contract with your health plan. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay, and the full amount charged for a service. This is called “balance billing.” This amount is likely more than in-network costs for the same service and might not count toward your annual out-of-pocket limit.

“Surprise billing” is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider.

Insurers are required to tell you, via their websites or on request, which providers, hospitals, and facilities are in their networks. Hospitals, surgical facilities, and providers must tell you which provider networks they participate in on their website or on request.

You are protected from balance billing for:

Emergency Services

If you have an emergency medical condition, mental health or substance use disorder condition and get emergency services from an out-of-network provider or facility, the most the provider or facility may bill you is your plan's in-network cost-sharing amount (such as copayments and coinsurance). You can't be balance billed for these emergency services. This includes care you receive in a hospital and in facilities that provide crisis services to people experiencing a mental health or substance use disorder emergency. You can't be balance billed for these emergency services, including services you may get after you're in stable condition.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most these providers may bill you is your plan's in-network cost-sharing amount.

You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.

When can you be asked to waive your protections from balance billing:

Health care providers, including hospitals and air ambulance providers, can **never** require you to give up your protections from balance billing.

If you have coverage through a self-funded group health plan, in some limited situations, a provider can ask you to consent to waive your balance billing protections, but you are **never** required to give your consent. Please contact your employer or health plan for more information.

When balance billing isn't allowed, you also have the following protections:

- You are only responsible for paying your share of the cost (like the copayments, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.
- Your health plan generally must:
 - Cover emergency services without requiring you to get approval for services in advance (preauthorization).
 - Cover emergency services by out-of-network providers.
 - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

If you believe you've been wrongly billed, you may file a complaint with the federal government at <https://www.cms.gov/nosurprises/consumers> or by calling 1-800-985-3059; and/or file a complaint with the Washington State Office of the Insurance Commissioner at [their website](#) or by calling 1-800-562-6900.

Visit <https://www.cms.gov/nosurprises> for more information about your rights under federal law.

Visit the [Office of the Insurance Commissioner Balance Billing Protection Act website](#) for more information about your rights under Washington state law.

Understanding Your Benefits

This section provides information to help You understand the terms Maximum Benefits, Deductibles, Copayments, Coinsurance and Out-of-Pocket Maximum. These terms are types of cost-sharing specific to Your benefits. You will need to refer to the Medical Benefits and Prescription Medications Sections to see what Your benefits are.

MAXIMUM BENEFITS

Some Covered Services may have a specific Maximum Benefit. Those Covered Services will be provided until the specified Maximum Benefit (which may be a number of days, visits, services, supplies, dollar amount or specified time period) has been reached. Refer to the benefits sections to determine if a Covered Service has a specific Maximum Benefit.

You will be responsible for the total billed charges for Covered Services that are in excess of any Maximum Benefits. You will also be responsible for charges for any other services or supplies not covered by this plan, regardless of the Provider rendering such services or supplies.

DEDUCTIBLES

The Deductible is the amount You must pay each Calendar Year before We will provide payments for Covered Services. The Deductible is satisfied by incurring a specific amount of expense for Covered Services during the Calendar Year for which the Allowed Amounts total the Deductible.

The Family Deductible is satisfied when the Family Members' Allowed Amounts for Covered Services for that Calendar Year total and meet the Family Deductible amount. However, no one Member will be required to meet more than the individual Deductible amount toward the Family Deductible in a Calendar Year.

We do not pay for services applied toward the Deductible. Refer to the benefits sections to see what Covered Services are subject to the Deductible. Except as specifically noted otherwise, any amounts You pay for non-Covered Services, Copayments or amounts in excess of the Allowed Amount do not apply toward the Deductible.

COPAYMENTS

Copayments are a specific dollar amount that You pay directly to the Provider at the time You receive a specified service. A Provider may or may not request any applicable Copayment at the time of service. Refer to the benefit sections to see what Covered Services are subject to a Copayment.

COINSURANCE (PERCENTAGE YOU PAY)

Your Coinsurance is the percentage You pay when Our payment is less than 100 percent. The Coinsurance varies, depending on the service or supply You received and who rendered it. Your Coinsurance applies once You have satisfied the Deductible and/or any applicable Copayment for Covered Services up to any Maximum Benefit. Your Coinsurance will be based upon the lesser of either the billed charges or the Allowed Amount. We do not reimburse Providers for charges above the Allowed Amount.

An In-Network Provider will not charge You for any balances for Covered Services beyond Your applicable Deductible, Copayment and/or Coinsurance amount. Out-of-Network Providers may bill You for any balances over Our payment level in addition to any Deductible, Copayment and/or Coinsurance amount (referred to as balance billing).

BALANCE BILLING

Balance billing occurs when You are billed for balances beyond any Deductible, Copayment and/or Coinsurance for Covered Services provided to You by an Out-of-Network Provider when the Out-of-Network Provider's billed amount is not fully reimbursed by Us. You will not be balance billed for

emergency services or for certain non-emergency surgical or ancillary services provided by an Out-of-Network Provider at an In-Network Hospital or Ambulatory Surgical Center. Non-emergency surgical or ancillary services include anesthesiology, pathology, radiology, laboratory, hospitalist, or surgical services. Any amounts You pay for emergency services or for non-emergency surgical or ancillary services will count toward Your Deductible and Out-of-Pocket Maximum.

OUT-OF-POCKET MAXIMUM

The Out-of-Pocket Maximum is the maximum amount You could pay in a Calendar Year for Covered Services. The Out-of-Pocket Maximum is satisfied by Your payments of Deductible, Copayments and Coinsurance, unless specified otherwise.

The Family Out-of-Pocket Maximum is satisfied when the Family Members' Deductibles, Copayments and Coinsurance for Covered Services for that Calendar Year total and meet the Family Out-of-Pocket Maximum amount. However, no one Member will be required to meet more than the individual Out-of-Pocket Maximum amount toward the Family Out-of-Pocket Maximum in a Calendar Year.

Any amounts You pay for non-Covered Services or amounts in excess of the Allowed Amount do not apply toward the Out-of-Pocket Maximum. Further, any reduction in Your cost-sharing for Prescription Medications resulting from the use of a drug manufacturer coupon may not apply toward the Out-of-Pocket Maximum. You will continue to be responsible for amounts that do not apply toward the Out-of-Pocket Maximum, even after You reach the Out-of-Pocket Maximum.

Once You reach the Out-of-Pocket Maximum, benefits subject to the Out-of-Pocket Maximum will be paid at 100 percent of the Allowed Amount for the remainder of the Calendar Year. The Coinsurance does not change to a higher payment level or apply to the Out-of-Pocket Maximum for some benefits. Refer to the benefit sections to determine if a Covered Service does not apply to the Out-of-Pocket Maximum.

HOW CALENDAR YEAR BENEFITS RENEW

The Deductible, Out-of-Pocket Maximum and Maximum Benefits are calculated on a Calendar Year basis. Each January 1, those Calendar Year maximums begin again. Some benefits have a separate Maximum Benefit based upon a Member's Lifetime and do not renew every Calendar Year.

The Contract is renewed each Contract Year. A Contract Year is the 12-month period following either the Contract's original Effective Date or subsequent renewal date. If Your Contract renews on a day other than January 1 of any year, any Deductible or Out-of-Pocket Maximum amounts You satisfied before the plan's renewal date will carry over into the next Contract Year. If the Deductible and/or Out-of-Pocket Maximum amounts increase during the Calendar Year, You will need to meet the new requirement minus any amount already satisfied from the previous Contract during the same Calendar Year.

PREVENTIVE VERSUS DIAGNOSTIC SERVICES

Covered Services may be either preventive or diagnostic. "Preventive" care is intended to prevent an Illness, Injury or to detect problems before symptoms are noticed. "Diagnostic" care treats, investigates or diagnoses a condition by evaluating new symptoms, following up on abnormal test results or monitoring existing problems.

Your Provider's classification of the service as either preventive or diagnostic and any other terms in this Booklet will determine the benefit that applies. For example, colonoscopies and mammograms are covered in the Preventive Care and Immunizations benefit if Your Provider bills them as preventive and they fall within the recommendations identified in that benefit. Otherwise, colonoscopies and mammograms are covered the same as any other Illness or Injury. You may want to ask Your Provider why a Covered Service is being performed or requested.

Medical Benefits

This section explains Your benefits and cost-sharing responsibilities for Covered Services. Referrals are not required before You can use any of the benefits of this coverage, including women's health care services. Nothing contained in this Booklet is designed to restrict Your choice of Provider for care or treatment of an Illness or Injury. All benefits are listed alphabetically, with the exception of Preventive Care and Immunizations, Office or Urgent Care Center Visits – Illness or Injury and Other Professional Services.

Medical services and supplies must be Medically Necessary for the treatment of an Illness or Injury (except for any covered preventive care) and received from a Provider practicing within the scope of their license, including chronic disease management services. Benefits for Gender Affirming Treatment are covered the same as any other Covered Services, regardless of an individual's sex assigned at birth, gender identity or expression. All covered benefits are subject to the limitations, exclusions and provisions of this plan. In some cases, We may limit benefits or coverage to a less costly and Medically Necessary alternative item. A Health Intervention may be medically indicated or otherwise be Medically Necessary, yet not be a Covered Service. See the Definitions Section for descriptions of Medically Necessary and the types of Providers who deliver Covered Services.

If benefits change while You are in the Hospital (or any other facility as an inpatient), coverage will be provided based upon the benefit in effect when the stay began.

Reimbursement may be available for new medical supplies, equipment, and devices You purchase from a Provider or from an approved Commercial Seller, even though that seller is not a Provider. New medical supplies, equipment, and devices, such as a breast pump or wheelchair, purchased through an approved Commercial Seller are covered at the In-Network Provider level, with reimbursement based on the lesser of either the amount paid to an In-Network Provider for that item, or the retail market value for that item. To learn more about how to access an approved Commercial Seller and reimbursable new retail medical supplies, equipment, and devices, visit Our Web site or contact Customer Service.

If You choose to access new medical supplies, equipment, and devices through Our Web site, We may receive administrative fees or similar compensation from the Commercial Seller and/or You may receive discounts or coupons for Your purchases. Any such discounts or coupons are complements to the group health plan, but are not insurance.

PREAUTHORIZATION

Some Covered Services may require preauthorization. Those services require contracted Providers to obtain preauthorization from Us before providing such services to You. You will not be penalized if the contracted Provider does not obtain preauthorization from Us in advance and the service is determined to be not covered.

Non-contracted Providers are not required to obtain preauthorization from Us prior to providing services. You may be responsible for the cost of services provided by a non-contracted Provider if those services are not Medically Necessary or a Covered Service. You may request that a non-contracted Provider preauthorize services on Your behalf to determine Medical Necessity prior to receiving those services.

PRESCRIPTION MEDICATIONS CLAIMS AND ADMINISTRATION

Your Prescription Drug Rights

You have the right to safe and effective Pharmacy services. You also have the right to know what drugs are covered by Your plan and the limits that apply. If You have a question or concern about Your prescription drug benefits, contact Us at 1 (888) 367-2112 or visit Our Web site.

If You would like to know more about Your rights, or if You have concerns about Your plan, You may contact the Washington State Office of Insurance Commissioner at 1 (800) 562-6900 or www.insurance.wa.gov. If You have a concern about the Pharmacists or Pharmacies serving You, contact the Washington State Department of Health at 1 (360) 236-4700.

Preauthorization

Some Prescription Medications may require preauthorization before they are dispensed. We notify In-Network Providers and Participating Pharmacies which Prescription Medications require preauthorization. Prescription Medications that require preauthorization must have medical information provided by the prescribing Provider to determine Medical Necessity. Prescribed Medications that require preauthorization will not be covered until they are preauthorized. For a list of medications that require preauthorization or if You have any questions, visit Our Web site or contact Customer Service.

Drug List Changes

Any removal of a Prescription Medication from Our Drug List will be posted on Our Web site 30 days prior to the effective date of that change unless the removal is done on an emergency basis or if an equivalent Generic Medication becomes available without prior notice. In the case of an emergency removal, the change will be posted as soon as possible.

If You are taking a Prescription Medication while it is removed from the Drug List and its removal was not due to the Prescription Medication being removed from the market, becoming available over-the-counter or issuance of a black box warning by the Federal Drug Administration, We will continue to cover Your Prescription Medication for the time period required to use Our drug list exception process to request continuation of coverage for the removed Prescription Medication and receive a decision through that process, unless patient safety requires an expedited replacement.

Drug List Exception Process

Non-Drug List medications are not covered by Your Prescription Medications benefit. However, a Prescription Medication not on the Drug List may be covered in certain circumstances.

"Non-Drug List" means those self-administered Prescription Medications not listed on the Drug List.

To request coverage for a Prescription Medication not on the Drug List, You or Your Provider will need to

request preauthorization so that We can determine that a Prescription Medication not on the Drug List is Medically Necessary. Your Prescription Medication not on the Drug List may be considered Medically Necessary if:

- medication policy criteria are met, if applicable;
- You are not able to tolerate a covered Prescription Medication(s) on the Drug List;
- Your Provider determines that the Prescription Medication(s) on the Drug List is not therapeutically effective for treating Your covered condition; or
- Your Provider determines that a dosage required for effective treatment of Your covered condition differs from the Prescription Medication on the Drug List dosage limitation.

The specific medication policy criteria to determine if a Prescription Medication not on the Drug List is Medically Necessary are available on Our Web site. You or Your Provider may request preauthorization by calling Customer Service or by completing and submitting the form on Our Web site.

Once preauthorization has been approved, the Prescription Medication not on the Drug List will be available for coverage at the Substituted Medication Copayment and/or Coinsurance level determined by Your benefit and will apply toward any Deductible or Out-of-Pocket Maximum.

Pharmacy Network Information

A nationwide network of Participating Pharmacies is available to You. You can find Participating Pharmacies on Our Web site or by contacting Customer Service. There are more than 1,200 Participating Pharmacies in Our Washington State network from which to choose.

You must present Your identification card to identify Yourself as Our Member when obtaining Prescription Medications from a Pharmacy or Mail-Order Supplier. If You do not present Your identification card You may be charged more than the Covered Prescription Medication Expense.

Claims Submitted Electronically

Participating Pharmacies will submit claims electronically. If a Nonparticipating Pharmacy provides Your Prescription Medication and submits the claim electronically, We will pay the Nonparticipating Pharmacy directly. Nonparticipating Pharmacies, however, may charge amounts in excess of Covered Prescription Medication Expenses. If that happens, You will be responsible for the excess amounts, as well as any Deductible, Copayment and/or Coinsurance shown electronically to the Nonparticipating Pharmacy at the time of purchase.

Claims Not Submitted Electronically

It is best to use a Participating Pharmacy so Your claims can be submitted electronically, and so You won't have to pay the difference between the Pharmacy's charges and the Covered Prescription Medication Expense in addition to Your Deductible, Copayment and/or Coinsurance.

However, when a claim is not submitted electronically, You must pay for the Prescription Medication in full at the time of purchase. For reimbursement, complete a Prescription Medication claim form and mail a copy of the form and the Prescription Medication receipt to Us. To find the Prescription Medication claim form, visit Our Web site or contact Customer Service.

We will reimburse You directly based on the Covered Prescription Medication Expense, minus the applicable Deductible, Copayment and/or Coinsurance that would have been required had the medication been purchased from a Participating Pharmacy.

Mail-Order

You can use mail-order services to purchase covered Prescription Medications. Mail-order coverage applies when Prescription Medications are purchased from a Mail-Order Supplier and the claim is submitted electronically. Not all Prescription Medications are available from Mail-Order Suppliers.

To buy Prescription Medications through the mail, send all of the following items to the Mail-Order Supplier at the address shown on the prescription mail-order form (which also includes refill instructions) available on Our Web site or from Your Group:

- a completed prescription mail-order form;
- any Deductible, Copayment and/or Coinsurance; and
- the original Prescription Order.

Prescription Medications Dispensed by Excluded Pharmacies

We do not permit excluded Pharmacies to submit claims after the excluded Pharmacies have been added to the Office of the Inspector General (OIG) list. A Pharmacy may be excluded if it has been investigated by the OIG and appears on the OIG's exclusion list.

You will be notified if You are receiving medications from a Pharmacy that is later determined to be an excluded Pharmacy so that You may obtain future Prescription Medications from a non-excluded Pharmacy. Up to the time of notification, Your previously submitted claims will still be processed.

Refills

Refills obtained from:

DEFINITIONS

The following definitions apply to this Prescription Medications Section:

Compound Medication means two or more medications that are mixed together by the Pharmacist. To be covered, Compound Medications must contain a Prescription Medication that has been approved by the FDA and may be subject to review for Medical Necessity.

Covered Prescription Medication Expense means the total payment a Participating Pharmacy or Mail-Order Supplier has contractually agreed to accept as full payment for a Prescription Medication. A Participating Pharmacy or Mail-Order Supplier may not charge You more than the Covered Prescription Medication Expense for a Prescription Medication.

Drug List means Our list of selected Prescription Medications. We established Our Drug List and We review and update it routinely. It is available on Our Web site or by calling Customer Service. Medications are reviewed and selected for inclusion on Our Drug List by an outside committee of Providers, including Physicians and Pharmacists.

Emergency Fill means a limited dispensed amount of medication that allows time for the processing of a preauthorization request. Emergency fill only applies to those circumstances where a Member goes to a contracted Pharmacy with an immediate therapeutic need for a prescribed medication that requires a prior authorization.

Mail-Order Supplier means a mail-order Pharmacy with which We have contracted for mail-order services.

Nonparticipating Pharmacy means a Pharmacy with which We neither have a contract nor have contracted access to any network it belongs to.

Nonparticipating Specialty Pharmacy means a Specialty Pharmacy with which We neither have contract nor have contracted access to any network it belongs to.

Participating Pharmacy means either a Pharmacy with which We have a contract or a Pharmacy that participates in a network for which We have contracted to have access.

Pharmacy means any duly licensed outlet in which Prescription Medications are dispensed.

Pharmacy and Therapeutics (P&T) Committee means an officially chartered group of practicing Physicians and Pharmacists who review the medical and scientific literature regarding medication use, provide input and oversight of the development of Our Drug List and medication policies. Additionally, the P&T Committee is free from conflict of interest of drug manufacturers and the majority of whom are also free from conflict of interest of Your coverage.

Preferred Brand-Name Medication and Brand-Name Medication means a Prescription Medication that is marketed and sold by limited sources or is listed in widely accepted references as a Brand-Name Medication based on manufacturer and price.

Preferred Generic Medication and Generic Medication means a Prescription Medication that is equivalent to a Brand-Name Medication and is listed in widely accepted references as a Generic Medication. "Equivalent" means the FDA ensures that the Generic Medication has the same active ingredients, meets the same manufacturing and testing standards, and is as safe and as effective as the Brand-Name Medication. Medications available only from one source (also referred to as "single source") are not considered Generic Medications. If listings in widely accepted references are conflicting or indefinite about whether a Prescription Medication is a generic or Brand-Name Medication, We will decide.

Preferred Specialty Medications and Specialty Medications means medications that may be used to treat complex conditions, including, but not limited to:

- multiple sclerosis;
- rheumatoid arthritis;
- cancer;
- clotting factor for hemophilia or similar clotting disorders; and

- relate directly to the treatment of an Illness or Injury;
- legally cannot be dispensed without a Prescription Order;
- by law must bear the legend, "Prescription Only"; or

Self-Adminstrable Cancer Chemotherapy Medications include oral Prescription Medications used to kill or slow the growth of cancerous cells. Information from the manufacturer, scientific literature, practice standards, Medicare practices, Medical Necessity and other information that is considered a relevant and reliable indication of safety and acceptability is used to determine a Self-Adminstrable Medication. We do not consider Your status, such as Your ability to administer the medication, when determining whether a medication is self-adminstrable.

Specialty Pharmacy means a Pharmacy or designated Hemophilia Treatment Center (HTC) that specializes in the distribution and medication management services of high cost injectables and Specialty Medications. To find a Specialty Pharmacy, visit Our Web site or contact Customer Service.

If the counselor and client determine the problem cannot be handled in short-term counseling, the counselor may refer the individual to extended care, community resources or another Provider as best suited to address the issue and referred services will not be part of this EAP. Services not included in this EAP will be subject to Your Medical Benefits and/or Prescription Medications Section.

SUBMISSION OF CLAIMS AND REIMBURSEMENT

When claims are submitted and payment is due, We decide whether to pay You, the Provider or You and the Provider jointly, subject to any legal requirements.

In-Network Provider Claims and Reimbursement

You must present Your identification card to an In-Network Provider and furnish any additional information requested. The Provider will submit the necessary forms and information to Us for processing Your claim.

We will pay an In-Network Provider directly for Covered Services. These Providers may require You to pay any Deductible, Copayment and/or Coinsurance at the time You receive care or treatment. In-Network Providers have agreed not to bill You for balances beyond any Deductible, Copayment and/or Coinsurance and to accept the Allowed Amount as payment in full for Covered Services.

Out-of-Network Provider Claims and Reimbursement

In order for Us to pay for Covered Services, You or the Out-of-Network Provider must first send Us a claim. Be sure the claim is complete and includes the following information:

- an itemized description of the services given and the charges for them;
- the date treatment was given;
- the diagnosis;
- the patient's name;
- Your identification number; and
- the group number.

If the treatment is for an Injury, include a statement explaining the date, time, place and circumstances of the Injury when You send Us the claim.

Our standard policy is to make payment for Out-of-Network Provider claims on joint payee checks issued to both the Member and the Provider or, with submission of sufficient documentation that the Member has already "paid in full," on checks issued solely to the Member. However, in some situations, We choose to pay the Out-of-Network Provider directly by check issued solely to the Provider.

Out-of-Network Providers have not agreed to accept the Allowed Amount as payment in full for Covered Services. You may be responsible for paying any difference between the amount billed by the Out-of-Network Provider and the Allowed Amount in addition to any amount You must pay due to any Deductible, Copayment and/or Coinsurance. For Out-of-Network Providers, the Allowed Amount may be based upon the billed charges for some services, as determined by Us or as otherwise required by law.

Timely Filing of Claims

Written proof of loss (submission of a claim) must be received within one year after the date of service. Claims that are not filed in a timely manner will be denied, unless You can reasonably demonstrate that the claim could not have been filed in a timely manner. Benefits or coverage will not be invalidated nor reduced if it can be shown that it was not reasonably possible to file the claim and that the claim was submitted as soon as reasonably possible. You may Appeal the denial in accordance with the Appeal

process to demonstrate that the claim could not have been filed in a timely manner.

Claim Determinations

Within 30 days of Our receipt of a claim, We will notify You of Our action. However, this 30-day period may be extended by an additional 15 days due to lack of information or extenuating circumstances. We will notify You of the extension within the initial 30-day period and provide an explanation of why the extension is necessary.

If We require additional information to process the claim, We must allow You at least 45 days to provide it to Us. If We do not receive the requested information within the time We have allowed, We will deny the claim.

OUT-OF-AREA SERVICES

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association. Whenever You access health care services outside the geographic area We serve, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When You receive care outside of the geographic area We serve, You may receive it from Providers as described below. Providers contracted with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue") as a preferred Provider are paid at the In-Network Provider level and will not bill You for balances beyond any Deductible, Copayment and/or Coinsurance for Covered Services. Providers that contract with the Host Blue as a participating Provider are paid at the Out-of-Network Provider level and may bill You for balances beyond any Deductible, Copayment and/or Coinsurance for Covered Services. Some Providers ("Out-of-Network Providers") don't contract with the Host Blue. We further explain below how We pay these different kinds of Providers.

BlueCard Program

Under the BlueCard Program, when You receive Covered Services within the geographic area served by a Host Blue, We will remain responsible for doing what We agreed to in the Contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its In-Network Providers.

Whenever You receive Covered Services outside Our Service Area and the claim is processed through the BlueCard Program, the amount You pay for Covered Services is calculated based on the lower of:

- The billed charges for Your Covered Services; or
- The negotiated price that the Host Blue makes available to Us.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to Your health care Provider. Sometimes, it is an estimated price that takes into account special arrangements with Your health care Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of health care Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims, as noted above. However, such adjustments will not affect the price We have used for Your claim because they will not be applied after a claim has already been paid.

Value-Based Programs

If You receive Covered Services under a Value-Based Program inside a Host Blue's service area, You will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Us through average pricing or fee schedule adjustments.

For the purpose of this section, the following definitions apply.

- **Value-Based Program:** An outcomes-based payment arrangement and/or a coordinated care model facilitated with one or more local Providers that is evaluated against cost and quality metrics/factors and is reflected in Provider payment.
- **Provider Incentive:** An additional amount of compensation paid to a healthcare Provider by a Blue Cross and/or Blue Shield Plan, based on the Provider's compliance with agreed-upon procedural and/or outcome measures for a particular group of covered persons.
- **A Care Coordination Fee** is a fixed amount paid by a Blue Cross and/or Blue Shield Licensee to Providers periodically for Care Coordination under a Value-Based Program.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal law or state law may require a surcharge, tax or other fee that applies to insured accounts. If applicable, We will include any such surcharge, tax or other fee as part of the claim charge passed on to You.

Out-of-Network Providers Outside Our Service Area

- **Your Liability Calculation.** When Covered Services are provided outside of Our Service Area by Out-of-Network Providers, the amount You pay for such services will normally be based on either the Host Blue's Out-of-Network Provider local payment or the pricing arrangements required by applicable state law. In these situations, You may be responsible for the difference between the amount that the Out-of-Network Provider bills and the payment We will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for Out-of-Network emergency services.
- **Exceptions.** In certain situations, We may use other payment methods, such as billed covered charges, the payment We would make if the health care services had been obtained within Our Service Area, or a special negotiated payment to determine the amount We will pay for services provided by Out-of-Network Providers. In these situations, You may be liable for the difference between the amount that the Out-of-Network Provider bills and the payment We will make for the Covered Services as set forth in this paragraph.

BLUE CROSS BLUE SHIELD GLOBAL® CORE

If You are outside the United States, You may be able to take advantage of the Blue Cross Blue Shield Global Core when accessing covered health services. Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the United States in certain ways. For instance, although the Blue Cross Blue Shield Global Core assists You with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when You receive care from Providers outside the United States, You will typically have to pay the Providers and submit the claims Yourself to obtain reimbursement for these services.

If You need medical assistance services (including locating a doctor or Hospital) outside the United States, You should call the service center at 1 (800) 810-BLUE (2583) or call collect at 1 (804) 673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, will arrange a physician appointment or hospitalization, if necessary.

- **Inpatient Services**

In most cases, if You contact the service center for assistance, Hospitals will not require You to pay for covered inpatient services, except for Your applicable Deductible, Coinsurance, etc. In such cases, the Hospital will submit Your claims to the service center to begin claims processing.

However, if You paid in full at the time of services, You must submit a claim to receive reimbursement for covered healthcare services.

- **Outpatient Services**

Physicians, urgent care centers and other outpatient Providers located outside the United States will typically require You to pay in full at the time of services. You must submit a claim to obtain reimbursement for covered healthcare services.

- **Submitting a Blue Cross Blue Shield Global Core Claim**

When You pay for covered healthcare services outside the BlueCard service area, You must submit a claim to obtain reimbursement. For institutional and professional claims, You should complete a Blue Cross Blue Shield Global Core claim form and send the claim form with the Provider's itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of Your claim. The claim form is available from Us, the service center or online at www.bcbsglobalcore.com. If You need assistance with Your claim submission, You should call the service center at 1 (800) 810-BLUE (2583) or call collect at 1 (804) 673-1177, 24 hours a day, seven days a week.

CLAIMS RECOVERY

If We pay a benefit to which You or Your Enrolled Dependent was not entitled, or if We pay a person who is not eligible for benefits at all, We have the right, at Our discretion, to recover the payment from the person We paid or anyone else who benefited from it, including a Provider of services. Our right to recovery includes the right to deduct the mistakenly paid amount from future benefits We would provide the Enrolled Employee or any Enrolled Dependents, even if the mistaken payment was not made on that person's behalf.

We regularly work to identify and recover claims payments that should not have been made (for example, claims that are the responsibility of another, duplicates, errors, fraudulent claims, etc.). We will credit all amounts that We recover, less Our reasonable expenses for obtaining the recoveries, to Your Group's experience or the experience of the pool by which You or Your Group is rated. Crediting reduces claims expense and helps reduce future premium rate increases.

This Claims Recovery provision in no way reduces Our right to reimbursement or subrogation. Refer to the Right of Reimbursement and Subrogation Recovery provision for additional information.

RIGHT OF REIMBURSEMENT AND SUBROGATION RECOVERY

This section explains how We treat various matters having to do with administering Your benefits and/or claims, including situations that may arise in which Your health care expenses are the responsibility of a source other than Us.

As used herein, the term "Third Party" means any party that is, or may be, or is claimed to be, responsible for Illness or Injuries to You. Such Illness or Injuries are referred to as "Third Party Injuries." Third Party includes any party responsible for payment of expenses associated with the care or treatment of Third Party Injuries.

If this plan pays benefits under this Booklet to You for expenses incurred due to Third Party Injuries, then We retain the right to repayment of the full cost, to the extent permitted by law of all benefits provided by this plan on Your behalf that are associated with the Third Party Injuries. Our rights of recovery apply to any recoveries made by or on Your behalf from the following sources, including but not limited to:

- Payments made by a Third Party or any insurance company on behalf of the Third Party;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers' Compensation or disability award or settlement;
- Medical payments coverage under any automobile policy, premises or homeowners' medical payments coverage or premises or homeowners' insurance coverage; and
- Any other payments from a source intended to compensate You for Injuries resulting from an accident or alleged negligence.

By accepting benefits under this plan, You specifically acknowledge Our right of subrogation. When this plan pays health care benefits for expenses incurred due to Third Party Injuries, We shall be subrogated to Your right of recovery against any party to the extent of the full cost, to the extent permitted by law of all benefits provided by this plan. We may proceed against any party with or without Your consent.

By accepting benefits under this plan, You also specifically acknowledge Our right of reimbursement. This right of reimbursement attaches when this plan has paid health care benefits for expenses incurred due to Third Party Injuries and You or Your representative has recovered any amounts from any sources,

including but not limited to: payments made by a Third Party or any payments or awards under an uninsured or underinsured motorist coverage policy; any Workers' Compensation or disability award or settlement; medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; and any other payments from a source intended to compensate You for Third Party Injuries. By providing any benefit under this Booklet, We are granted an assignment of the proceeds of any settlement, judgment or other payment received by You to the extent permitted by law of the full cost of all benefits provided by this plan. Our right of reimbursement is cumulative with and not exclusive of Our subrogation right and We may choose to exercise either or both rights of recovery.

In order to secure the plan's recovery rights, You agree to assign to the plan any benefits or claims or rights of recovery You have under any automobile policy or other coverage, to the full extent of the plan's subrogation and reimbursement claims. This assignment allows the plan to pursue any claim You may have, whether or not You choose to pursue the claim.

We will not exercise Our rights of recovery and subrogation until You have been fully compensated for Your loss and expense incurred.

This provision applies when You incur health care expenses in connection with an Illness or Injury for which one or more third parties is responsible. In that situation, benefits for otherwise Covered Services are excluded under this Contract to the extent You receive a recovery from or on behalf of the responsible third party in excess of full compensation for the loss. If You do not pursue a recovery of the benefits We have advanced, We may choose, in Our discretion, to pursue recovery from another responsible party, including automobile medical no-fault, personal injury protection ("PIP") carrier on Your behalf.

Here are some rules which apply in these Third-Party liability situations:

- By accepting benefits under this plan, You or Your representative agree to notify Us promptly (within 30 days) and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to Third Party Injuries sustained by You.
- You or Your representative agrees to cooperate with Us and do whatever is necessary to secure Our rights of subrogation and reimbursement under this Booklet. In addition, You or Your representative agrees to do nothing to prejudice Our subrogation and reimbursement rights. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits paid by the plan.
- If a claim for health care expense is filed with Us and You have not yet received recovery from the responsible third party, We may advance benefits for Covered Services if You agree to hold, or direct Your attorney or other representative to hold, the recovery against the third party in trust for Us, up to the amount of benefits We paid in connection with the Illness or Injury.
- You and/or Your agent or attorney must agree to serve as constructive trustee and keep any recovery or payment of any kind related to Your Illness or Injury which gave rise to the plan's right of subrogation or reimbursement segregated in its own account, until Our right is satisfied or released.
- Further, You or Your representative give Us a lien on any recovery, settlement, judgment or other source of compensation which may be had from any party to the extent permitted by law to the full cost of all benefits associated with Third Party Injuries provided by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement).
- You or Your representative also agrees to pay from any recovery, settlement, judgment or other source of compensation, any and all amounts due Us as reimbursement for the full cost of all benefits, to the extent permitted by law, associated with Third Party Injuries paid by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement).
- In the event You and/or Your agent or attorney fails to comply with any of the above conditions, We may recover any benefits We have advanced for any Injury or Illness through legal action against You and/or Your agent or attorney.
- If We pay benefits for the treatment of an Illness or Injury, We will be entitled to have the amount of the benefits We have paid for the condition separated from the proceeds of any recovery You receive out of any settlement or recovery from any source, including any arbitration award, judgment,

settlement, disputed claim settlement, uninsured motorist payment or any other recovery related to the Injury or Illness for which We have provided benefits. This is true regardless of whether:

- the Third Party or the Third Party's insurer admits liability;
 - the health care expenses are itemized or expressly excluded in the Third-Party recovery; or
 - the recovery includes any amount (in whole or in part) for services, supplies or accommodations covered under the Contract. The amount to be held in trust shall be calculated based upon claims that are incurred on or before the date of settlement or judgment, unless agreed to otherwise by the parties.
- Any benefits We advance are solely to assist You. By advancing such benefits, We are not acting as a volunteer and are not waiving any right to reimbursement or subrogation.

We may recover to the extent permitted by law, the full cost of all benefits paid by this plan under this Booklet without regard to any claim of fault on Your part, whether by comparative negligence or otherwise. You may incur attorney's fees and costs in connection with obtaining recovery. If this plan is not subject to ERISA, We shall pay a proportional share of such attorney's fees and costs incurred by You at the time of any settlement or recovery to otherwise reduce the amount of reimbursement paid to Us to less than the full amount of benefits paid by Us. If this plan is subject to ERISA, You may request and We may contribute an amount toward attorney's fees incurred by You at the time of any settlement or recovery to otherwise reduce the amount of reimbursement paid to Us to less than the full amount of benefits paid by Us. In the event You or Your representative fail to cooperate with Us, You shall be responsible for all benefits paid by this plan in addition to costs and attorney's fees incurred by Us in obtaining repayment.

No-Fault Coverage

This provision applies when You incur health care expenses in connection with an Illness or Injury for which no-fault coverage is available. In that situation, benefits for otherwise Covered Services are excluded under this Contract to the extent Your expenses for services and supplies have been covered or have been accepted for coverage by a no-fault carrier.

Motor Vehicle Coverage

Most motor vehicle insurance policies provide medical expense coverage and uninsured and/or underinsured motorist insurance. When We use the term motor vehicle insurance below, it includes medical expense coverage, personal injury protection coverage, uninsured motorist coverage, underinsured motorist coverage or any coverage similar to any of these coverages. Benefits for health care expenses are excluded under this Contract if You receive payments from uninsured motorist coverage or underinsured motorist coverage for such expenses to the extent those payments exceed the amount necessary to fully compensate You, along with all other payments You receive to compensate You for Your Injuries, losses or damages, for those Injuries, losses or damages.

Here are some rules which apply with regard to motor vehicle insurance coverage:

- If a claim for health care expenses arising out of a motor vehicle accident is filed with Us and motor vehicle insurance has not yet paid, We may advance benefits for Covered Services as long as You agree in writing:
 - to give Us information about any motor vehicle insurance coverage which may be available to You; and
 - to otherwise secure Our rights and Your rights.
- If We have paid benefits before motor vehicle insurance has paid, We are entitled to have the amount of the benefits We have paid separated from any subsequent motor vehicle insurance recovery or payment made to or on behalf of You held in trust for Us. The amount of benefits We are entitled to will never exceed the amount You receive from all insurance sources that fully compensates You for Your loss and We will only seek to recover amounts You have received from other insurance sources to the extent those amounts exceed full compensation to You for Your Injuries, losses or damages.

- You may have rights both under motor vehicle insurance coverage and against a third party who may be responsible for the accident. In that case, both this provision and the Right of Reimbursement and Subrogation Recovery provision apply. However, We will not seek double reimbursement.

Workers' Compensation

This provision applies if You have filed or are entitled to file a claim for workers' compensation. Benefits for treatment of an Illness or Injury arising out of or in the course of employment or self-employment for wages or profit are excluded under this Contract. The only exception would be if You or one of Your eligible dependents are exempt from state or federal workers' compensation law.

Here are some rules which apply in situations where a workers' compensation claim has been filed:

- You must notify Us in writing within five days of any of the following:
 - filing a claim;
 - having the claim accepted or rejected;
 - appealing any decision;
 - settling or otherwise resolving the claim; or
 - any other change in status of Your claim.
- If the entity providing workers' compensation coverage denies Your claims and You have filed an appeal, We may advance benefits for Covered Services if You agree to hold any recovery obtained in trust for Us according to the Right of Reimbursement and Subrogation Recovery provision.

Fees and Expenses

You may incur attorney's fees and costs in connection with obtaining recovery. If this plan is not subject to ERISA, We shall pay a proportional share of such attorney's fees and costs incurred by You at the time of any settlement or recovery to otherwise reduce the amount of reimbursement paid to Us to less than the full amount of benefits paid by Us. If this plan is subject to ERISA, You may request and We may contribute an amount toward attorney's fees incurred by You at the time of any settlement or recovery to otherwise reduce the amount of reimbursement paid to Us to less than the full amount of benefits paid by Us.

COORDINATION OF BENEFITS

The Coordination of Benefits (COB) provision applies when You have health care coverage under more than one Plan. This section is a summary of only a few of the provisions of Your health plan to help You understand COB, which can be very complicated. This is not a complete description of all of the coordination rules and procedures, and does not change or replace the language contained in Your Contract, which determines Your benefits.

Coordination of benefits is complicated and covers a wide variety of circumstances. This is only an outline of some of the most common situations. If Your situation is not described, read Your Contract or contact the Washington State Insurance Department.

Double Coverage

It is common for family members to be covered by more than one health care plan. This happens, for example, when a husband and wife both work and choose to have Family coverage through both employers. When You are covered by more than one health plan, Washington state law permits issuers to follow a procedure called "coordination of benefits" to determine how much each health plan should pay when You have a claim. The goal is to ensure that the combined payments of all plans do not add up to more than Your covered health care expenses.

Primary or Secondary?

You will be asked to identify all the plans that cover members of Your Family. To avoid delays in claim processing, if You are covered by more than one plan, You should promptly report to Your Providers and plans any changes in Your coverage. We need this information to determine whether We are the "primary" or "secondary" benefit payer. The primary plan always pays first when You have a claim. Any

plan that does not contain Your state's COB rules will always be primary.

When This Plan is Primary

If You or a family member is covered under another plan in addition to this one, We will be primary when:

- **Your Own Expenses.** The claim is for Your own health care expenses, unless You are covered by Medicare and both You and Your spouse are retired.
- **Your Spouse's Expenses.** The claim is for Your spouse, who is covered by Medicare, and You are not both retired.
- **Your Child's Expenses.** The claim is for the health care expenses of Your child who is covered by this plan; and
 - You are married and Your birthday is earlier in the year than Your spouse's, or You are living with another individual (regardless of whether or not You have ever been married to that individual) and Your birthday is earlier in the year than that other individual's birthday. This is known as the "birthday rule"; or
 - You are separated or divorced, and You have informed us of a court decree that makes You responsible for the child's health care expenses; or
 - There is no court decree, but You have custody of the child.
- **Other Situations.** We will be primary when any other provisions of state or federal law require Us to be.

How We Pay Claims When We Are Primary

When We are the primary plan, We will pay the benefits according to the terms of the Contract, just as if You had no other health care coverage under any other plan.

How We Pay Claims When We Are Secondary

When We are knowingly the secondary plan, We will make payment promptly after receiving payment information from Your primary plan. As Your secondary plan, We may ask You and/or Your Provider for information in order to make payment. To expedite payment, be sure that You and/or Your Provider supply all required information in a timely manner.

If Your primary plan fails to pay within 60 calendar days of receiving all necessary information from You and Your Provider, You and/or Your Provider may submit the claim to Us as if We were the primary plan. In such situations, We are required to pay those claims within 30 calendar days of receiving Your claim and the notice that Your primary plan has not paid. **This provision does not apply if Medicare is the primary plan.**

We may recover from the primary plan any excess amount paid under the Right of Recovery provision.

- If there is a difference between the amounts the plans allow, We will base our payment on the higher amount. However, if the primary plan has a contract with the Provider, our combined payments will not be more than the amount called for in Our contract or the amount called for in the contract of the primary plan, whichever is higher. Health maintenance organizations (HMOs) and health care service contractors usually have contracts with their Providers as do some other plans.
- We will determine Our payment by subtracting the amount paid by the primary plan from the amount We would have paid if We had been the primary plan. We must make payment in an amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal to 100% of the total allowable expense (the highest of the amounts allowed under each plan involved) for Your claim. We are not required to pay an amount in excess of Our maximum benefits, plus any accrued savings. If Your Provider negotiates reimbursement amounts with the plan(s) for the service provided, Your Provider may not bill You for any excess amounts once the Provider has received payment for the highest of the negotiated amounts. When Our deductible is fully credited, We will place any remaining amounts in a savings account to cover future claims which might not otherwise have been paid. For example, if the primary plan covers similar kinds of health care expenses, but allows expenses that We do not cover, We may pay for those expenses.

Right of Recovery

We have the right to recover excess payment whenever We have paid Allowable Expenses in excess of the maximum amount of payment necessary to satisfy the intent of this provision. We may recover excess payment from any person to whom or for whom payment was made or any other issuers or plans.

If You are covered by more than one health benefit plan, and You do not know which is Your primary plan, You or Your provider should contact any one of the health plans to verify which plan is primary. The health plan You contact is responsible for working with the other plan to determine which is primary and will let You know within 30 calendar days.

CAUTION: All health plans have timely claim filing requirements. If You or Your provider fail to submit Your claim to a secondary health plan within that plan's claim filing time limit, the plan can deny the claim. If You experience delays in the processing of Your claim by the primary health plan, You or Your provider will need to submit Your claim to the secondary health plan within its claim filing time limit to prevent a denial of the claim.

To avoid delays in claim processing, if You are covered by more than one plan You should promptly report to Your providers and plans any changes in Your coverage.

If the Group or You have questions about this Coordination of Benefits provision, please contact the Washington State Insurance Department.

Appeal Process

If You or Your Representative (any Representative authorized by You) has a concern regarding a claim denial or other action by Us under the Contract and wish to have it reviewed, You may Appeal. There is one level of Internal Appeal, as well as an External appeal with an Independent Review Organization You may pursue. Certain matters requiring quicker consideration may qualify for a level of Expedited Appeal and are described separately later in this section. For Grievances or complaints not involving an Adverse Benefit Determination, refer to the Grievance Process.

APPEALS

Appeals can be initiated through either written or verbal request. A verbal Appeal request can be made by calling Customer Service. A written Appeal request can be made by:

- completing the form available on **regence.com**;
- submitting the form via e-mail to MemberAppeals@regence.com;
- submitting the form via fax to 1 (888) 496-1542; or
- mailing the form to Us at: Attn: Member Appeals, Regence BlueShield, P.O. Box 1408, Lewiston, ID 83501.

Each level of Appeal, including Expedited Appeals, must be pursued within 180 days of Your receipt of Our determination (or, in the case of the Internal Appeal, within 180 days of Your receipt of Our original adverse decision that You are Appealing). If You don't Appeal within this time period, You will not be able to continue to pursue the Appeal process and may jeopardize Your ability to pursue the matter in any forum. When We receive an Appeal request, We will send a written acknowledgement within 72 hours of receiving the request.

Upon request and free of charge, You, or Your Representative, have the right to review copies of all documents, records and information relevant to any claim that is the subject of the determination being appealed.

If You or Your treating Provider determines that Your health could be jeopardized by waiting for a decision under the regular Appeal process, You or Your Provider may specifically request an Expedited Appeal. See Expedited Appeals later in this section for more information.

If We reverse Our initial Adverse Benefit Determination, which We may do at any time during the review process, We will provide You with written or electronic notification of the decision immediately, but in no event more than two business days of making the decision.

If You request a review of an Adverse Benefit Determination, We will continue to provide coverage for disputed inpatient care benefits or any benefit for which a continuous course of treatment is Medically Necessary, pending outcome of the review. If We prevail in the Appeal, You may be responsible for the cost of coverage received during the review period. The decision at the external review level is binding unless other remedies are available under state or federal law.

Internal Appeals

Internal Appeals are reviewed by an employee or employees who were not involved in the initial decision that You are Appealing. You or Your Representative, on Your behalf, will be given a reasonable opportunity to provide written materials, including written testimony. In Appeals that involve issues requiring medical judgment, the decision is made by Our staff of health care professionals. If the Appeal involves a Post-Service investigational issue, a written notice of the decision will be sent within 20 working days after receiving the Appeal. For all other Appeals, the written notice will be sent within 14 days of receipt. You will be notified if, for good cause, We require additional time. An extension cannot delay the decision beyond 30 days without Your informed written consent.

VOLUNTARY EXTERNAL APPEAL – IRO

A voluntary Appeal to an Independent Review Organization (IRO) is available to You if the Appeal involves an Adverse Benefit Determination based on Medical Necessity, appropriateness, health care setting, level of care, or that the requested service or supply is not efficacious or otherwise unjustified

under evidence-based medical criteria and only after You have exhausted the internal level of Appeal, or We have failed to provide You with an Internal Appeal decision within the requirements of the Internal Appeal process.

We coordinate voluntary External Appeals, but the decision is made by an IRO at no cost to You. We will provide the IRO with the Appeal documentation, which is available to You or Your Provider upon request. You will also be provided five business days to submit additional written information directly to the IRO for consideration. A written notice of the IRO's decision will be sent to You within 15 days after the IRO receives the necessary information or 20 days after the IRO receives the request. Choosing the voluntary External Appeal as the final level to determine an Appeal will be binding in accordance with the IRO's decision, except to the extent other remedies are available under state or federal law.

The voluntary External Appeal by an IRO is optional and You should know that other forums may be utilized as the final level of Appeal to resolve a dispute You have with Us. This includes, but is not limited to, civil action under Section 502(a) of ERISA, where applicable.

EXPEDITED APPEALS

An Expedited Appeal is available if one of the following applies:

- You are currently receiving or are prescribed treatment for a medical condition; or
- Your treating Provider believes the application of regular Appeal time frames on a Pre-Service or concurrent care claim could seriously jeopardize Your life, overall health or ability to regain maximum function, or would subject You to severe and intolerable pain; or
- the Appeal is regarding an issue related to admission, availability of care, continued stay or health care services received on an emergency basis where You have not been discharged.

You may request concurrent expedited internal and external reviews of Adverse Benefit Determinations (meaning the reviews will be done simultaneously). When concurrent expedited reviews are requested, We will not extend the timelines by making the determinations consecutively. The requisite timelines will be applied concurrently.

Internal Expedited Appeal

The internal Expedited Appeal request should state the need for a decision on an expedited basis and must include documentation necessary for the Appeal decision. Internal Expedited Appeals are reviewed by employees who were not involved in, or subordinate to anyone involved in, the initial denial determination. Reviewers will include an appropriate clinical peer in the same or similar specialty as would typically manage the case. You or Your Representative, on Your behalf, will be given the opportunity (within the constraints of the Expedited Appeals time frame) to provide written materials, including written testimony on Your behalf. Verbal notice of the decision will be provided to You and Your Representative as soon as possible after the decision, but no later than 72 hours of receipt of the Appeal. This will be followed by written notification within 72 hours of the date of decision.

Voluntary Expedited Appeal – IRO

If You disagree with the decision made in the internal Expedited Appeal and You or Your Representative reasonably believes that preauthorization or concurrent care (Pre-Service) remains clinically urgent, You may request a voluntary Expedited Appeal to an IRO. The criteria for a voluntary Expedited Appeal to an IRO are the same as described above for non-urgent IRO review. You may request a voluntary Expedited External Appeal at the same time You request an Expedited Appeal from Us.

We coordinate voluntary Expedited Appeals, but the decision is made by an IRO at no cost to You. We will provide the IRO with the Expedited Appeal documentation, which is available to You or Your Provider upon request. Verbal notice of the IRO's decision will be provided to You and Your Representative as soon as possible after the decision, but no later than within 72 hours of the IRO's receipt of the necessary information. This will be followed by written notification within 48 hours of the verbal notice. Choosing the voluntary Expedited Appeal as the final level to determine an Appeal will be binding in accordance with the IRO's decision, except to the extent other remedies are available under state or federal law.

The voluntary Expedited Appeal by an IRO is optional and You should know that other forums may be used as the final level of Expedited Appeal to resolve a dispute You have with Us, including, but not limited to, civil action under Section 502(a) of ERISA, where applicable.

DEFINITIONS SPECIFIC TO THE APPEAL PROCESS

Adverse Benefit Determination means a denial, reduction, or termination of, or a failure to provide or make payment, in whole or in part, for a benefit, including a denial, reduction, termination or failure to provide or make payment that is based on a determination of a Member's or applicant's eligibility to participate in a plan, and including, with respect to group health plans, a denial, reduction, or termination of, or failure to provide or make payment, in whole or in part, for a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be Experimental or Investigational or not Medically Necessary or appropriate.

Appeal means a written or verbal request from a Member or, if authorized by the Member, the Member's Representative, to change a previous decision made by Us concerning:

- access to health care benefits, including an adverse determination made pursuant to utilization management;
- claims payment, handling or reimbursement for health care services;
- matters pertaining to the contractual relationship between a Member and Us;
- rescissions of Your benefit coverage by Us; and
- other matters as specifically required by state law or regulation.

Expedited Appeal means an Appeal where:

- You are currently receiving or are prescribed treatment for a medical condition; and
- Your treating Provider believes the application of regular Appeal time frames on a Pre-Service or concurrent care claim could seriously jeopardize Your life, overall health or ability to regain maximum function, or would subject You to severe and intolerable pain; or
- the Appeal is regarding an issue related to admission, availability of care, continued stay or health care services received on an emergency basis where You have not been discharged.

Experimental or Investigational means a Health Intervention that We have classified as Experimental or Investigational. For a full definition of Experimental and Investigational, refer to Experimental/Investigational in the Definitions Section.

External Appeal means a review of an Adverse Benefit Determination performed by an Independent Review Organization to determine whether Our Internal Appeal decisions are correct.

Grievance means a written or oral complaint submitted by or on behalf of a covered person regarding service delivery issues other than denial of payment for medical services or nonprovision of medical services, including dissatisfaction with medical care, waiting time for medical services, Provider or staff attitude or demeanor, or dissatisfaction with service provided by the health carrier.

Independent Review Organization (IRO) is an independent Physician review organization that acts as the decision-maker for voluntary External Appeals and voluntary External Expedited Appeals and that is not controlled by Us.

Internal Appeal means a review and reconsideration of an Adverse Benefit Determination performed by Us.

Post-Service means any claim for benefits that is not considered Pre-Service.

Pre-Service means any claim for benefits which must be approved in advance, in whole or in part, in order for a benefit to be paid.

Representative means someone who represents You for the Appeal. The Representative may be Your personal Representative or a treating Provider. It may also be another party, such as a family member, as long as You or Your legal guardian authorize in writing, disclosure of personal information for the Appeal. No authorization is required from the parent(s) or legal guardian of a Member who is a dependent child and is less than 13 years old. For Expedited Appeals only, a health care professional with knowledge of Your medical condition is recognized as Your Representative without additional authorization. Even if You have previously designated a person as Your Representative for a previous matter, an authorization designating that person as Your Representative in a new matter will be required (but redesignation is not required for each Appeal level). If no authorization exists and is not received in the course of the Appeal, the determination and any personal information will be disclosed to You, Your personal Representative or treating Provider only.

Grievance Process

If You or Your Representative (any Representative authorized by You) has a complaint not involving an Adverse Benefit Determination and wishes to have it resolved, You may submit a Grievance to Us. Grievances may be submitted orally or in writing through either of the following contacts:

Call Customer Service at 1 (888) 367-2112 or write to Customer Service at the Customer Service address in the Introduction.

A Grievance may be registered when You or Your Representative expresses dissatisfaction with any matter not involving an Adverse Benefit Determination, including but not limited to Our customer service or quality or availability of a health service. Once received, Your Grievance will be responded to in a timely and thorough manner. Grievances will also be collectively evaluated by Us, on a quarterly basis, for improvements. If You would like a written response or acknowledgement of Your Grievance from Us, request at the time of submission.

For any complaints involving an Adverse Benefit Determination, refer to the Appeals Process Section within this Booklet.

DEFINITIONS SPECIFIC TO THE GRIEVANCE PROCESS

Adverse Benefit Determination means a denial, reduction, or termination of, or a failure to provide or make payment, in whole or in part, for a benefit, including a denial, reduction, termination, or failure to provide or make payment that is based on a determination of a Member's or applicant's eligibility to participate in a plan, and including, with respect to group health plans, a denial, reduction, or termination of, or a failure to provide or make payment, in whole or in part, for a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be Experimental or Investigational or not Medically Necessary or appropriate.

Grievance means a written or oral complaint submitted by or on behalf of a covered person regarding service delivery issues other than denial of payment for medical services or nonprovision of medical services, including dissatisfaction with medical care, waiting time for medical services, Provider or staff attitude or demeanor, or dissatisfaction with service provided by the health carrier.

Representative means someone who represents You for the Grievance. The Representative may be Your personal Representative or a treating Provider. It may also be another party, such as a family member, as long as You or Your legal guardian authorize in writing, disclosure of personal information for the Grievance. No authorization is required from the parent(s) or legal guardian of a Member who is a dependent child and is less than 13 years old. Even if You have previously designated a person as Your Representative for a previous matter, an authorization designating that person as Your Representative in a new matter will be required. If no authorization exists and is not received, the determination and any personal information will be disclosed to You, Your personal Representative or treating Provider only.

Eligibility and Enrollment

This section explains how to enroll Yourself and/or Your eligible dependents when first eligible, during a period of special enrollment or during an annual open enrollment period. It describes when coverage under the Contract begins for You and/or Your eligible dependents. Payment of any corresponding monthly premiums is required for coverage to begin on the indicated dates.

INITIALLY ELIGIBLE AND WHEN COVERAGE BEGINS

You will be entitled to enroll in coverage for Yourself and Your eligible dependents within 30 days of initially becoming eligible for coverage per the eligibility requirements in effect with the Group and as stated in the following paragraphs. Coverage for You and Your enrolling eligible dependents will begin on the Effective Date.

If You and/or Your eligible dependents do not enroll for coverage under the plan when first eligible or You do not enroll in a timely manner, You and/or Your eligible dependents must wait until the next annual open enrollment period to enroll, except as described in the Special Enrollment provision below.

Employees

You become eligible to enroll in coverage on the date You have worked for the Group long enough to satisfy any probationary period required by the Group.

Dependents

Your Enrolled Dependents are eligible for coverage when You have listed them on the enrollment form or on subsequent change forms and when We have enrolled them in coverage under the Contract.

Dependents are limited to the following:

- The person to whom You are legally married (spouse).
- Your registered domestic partner or non-registered domestic partner for whom You have submitted an accurate and complete affidavit of qualifying domestic partnership.
- Your (or Your spouse's or Your domestic partner's) child who is under age 26 and who meets any of the following criteria:
 - Your (or Your spouse's or Your domestic partner's) natural child, stepchild, adopted child or child legally placed with You (or Your spouse or Your domestic partner) for adoption;
 - a child for whom You (or Your spouse or Your domestic partner) have court-appointed legal guardianship; and
 - a child for whom You (or Your spouse or Your domestic partner) are required to provide coverage by a legal qualified medical child support order (QMCSO).
- Your (or Your spouse's or Your domestic partner's) otherwise eligible child who is age 26 or over and incapable of self-support because of developmental or physical disability that began before the child's 26th birthday, if You complete and submit Our affidavit of dependent eligibility form, with written evidence of the child's incapacity, within 31 days of the later of the child's 26th birthday or Your Effective Date and either:
 - the child is an enrolled child immediately before their 26th birthday; or
 - the child's 26th birthday preceded Your Effective Date and the child has been continuously covered as Your dependent on group coverage since that birthday.

Our affidavit of dependent eligibility form is available by visiting Our Web site or by calling Our Customer Service department. We may request updates on the child's disability at reasonable times as We consider necessary (but this will not be more often than annually following the dependent's 28th birthday).

NEWLY ELIGIBLE DEPENDENTS

You may enroll a dependent who becomes eligible for coverage after Your Effective Date by completing and submitting an enrollment request (and, for a non-registered domestic partner, an affidavit of qualifying domestic partnership form) to Us. Application for enrollment of a new child by birth, adoption or Placement for Adoption must be made within 60 days of the date of birth, adoption or Placement for

Adoption if payment of additional premium is required to provide coverage for the child. Application for enrollment of all other newly eligible dependents must be made within 30 days of the dependent's attaining eligibility. Coverage for such dependents will begin on their Effective Dates. For a new child by birth, the Effective Date is the date of birth. For a new child adopted or placed for adoption within 60 days of birth, the Effective Date is the date of birth, if any associated additional premium has been paid within 60 days of birth. The Effective Date for any other child by adoption or Placement for Adoption is the date of Placement for Adoption. For other newly eligible dependents, the Effective Date is the first day of the month following receipt of the application for enrollment.

NOTE: The regular benefits of the Contract will be provided for a newborn child for up to 21 days following birth when delivery of the child is covered under the Contract. Such benefits will not be subject to enrollment requirements for a newborn as specified here, or the payment of a separate premium for coverage of the child. Coverage, however, is subject to all provisions, limitations and exclusions of the Contract. No benefits will be provided after the 21st day unless the newborn is enrolled according to the enrollment requirements for a newborn.

SPECIAL ENROLLMENT

There are certain situations when You may enroll Yourself and/or Your eligible dependents, even though You didn't do so when first eligible, and You do not have to wait for an annual open enrollment period.

Note that loss of eligibility does not include a loss because You failed to timely pay Your portion of the premium or when termination of coverage was because of fraud. It also doesn't include Your decision to terminate coverage, though it may include Your decision to take another action (for example, terminating employment) that results in a loss of eligibility.

If You are already enrolled or if You declined coverage when first eligible and subsequently have one of the following qualifying events, You (unless already enrolled), Your spouse (or Your domestic partner) and any eligible children are eligible to enroll for coverage under the Contract within 30 days from the date of the qualifying event (except that where the qualifying event is involuntary loss of coverage under Medicaid or the Children's Health Insurance Program (CHIP), You have 60 days from the date of the qualifying event to enroll):

- You and/or Your eligible dependents lose coverage under another group or individual health benefit plan due to one of the following:
 - an employer's contributions to that other plan are terminated;
 - exhaustion of federal COBRA or any state continuation; or
 - loss of eligibility, for instance, due to legal separation, divorce, termination of domestic partnership, death, termination of employment or reduction in hours, or meeting or exceeding the lifetime limit on all benefits on a former plan.
- You and/or Your eligible dependent lose coverage due to no longer residing, living, or working in the service area of that coverage (and, if the coverage is in the group market, no other benefit package was available through the sponsoring entity).
- You involuntarily lose coverage under Medicare, CHAMPUS/Tricare, Indian Health Service or a publicly sponsored or subsidized health plan (other than the Children's Health Insurance Program (CHIP), see below).
- You lose coverage under Medicaid or the Children's Health Insurance Program (CHIP).

For the above qualifying events, if enrollment is requested as specified, coverage will be effective on the day after the prior coverage ended.

If You are already enrolled or if You declined coverage when first eligible and subsequently have one of the following qualifying events, You (unless already enrolled), Your spouse (or Your domestic partner) and any eligible children are eligible to apply for coverage under the Contract within 30 days from the date of the qualifying event (except that, where the qualifying event is You and/or Your dependent(s) becoming eligible for premium assistance under Medicaid or Children's Health Insurance Program (CHIP), or the Washington State Department of Social and Health Services (DSHS) determination that it

is cost-effective for an eligible dependent to have coverage under the Contract, You have 60 days from the date of the qualifying event to enroll):

- You marry or begin a domestic partnership; or
- You acquire a new child by birth, adoption, or Placement for Adoption.

If You are already enrolled or if You declined coverage when first eligible and subsequently have the following qualifying event, You (unless already enrolled), Your spouse (or Your domestic partner) and any eligible children are eligible to enroll for coverage under the Contract within 60 days from the date of the qualifying event:

- You and/or Your dependent(s) become eligible for premium assistance under Medicaid or the Children's Health Insurance Program (CHIP).

For the above qualifying events, if enrollment is requested as specified, coverage will be effective on the first of the calendar month following the date of the qualifying event, except that where the qualifying event is a child's birth, adoption, or Placement for Adoption, coverage is effective from the date of the birth, adoption or placement.

ANNUAL OPEN ENROLLMENT PERIOD

The annual open enrollment period is the period of time before the Group's Renewal Date and is the only time, other than initial eligibility or a special enrollment period, during which You and/or Your eligible dependents may enroll. You must submit an enrollment form (and, in the case of a non-registered domestic partner, a completed affidavit of qualifying domestic partnership form) on behalf of all individuals You want enrolled. Coverage will begin on the Effective Date.

DOCUMENTATION OF ELIGIBILITY

You must promptly provide (or coordinate) any necessary and appropriate information to determine the eligibility of a dependent. We must receive such information before enrolling a person as a dependent under the Contract.

When Coverage Ends

This section describes the situations when coverage will end for You and/or Your Enrolled Dependents. You must notify Us within 30 days of the date on which an Enrolled Dependent is no longer eligible for coverage.

No person will have a right to receive any benefits after the date coverage is terminated. Termination of Your or Your Enrolled Dependent's coverage under the Contract for any reason will completely end all Our obligations to provide You or Your Enrolled Dependent benefits for Covered Services received after the date of termination. This applies whether or not You or Your Enrolled Dependent is then receiving treatment or is in need of treatment for any Illness or Injury incurred or treated before or while the Contract was in effect.

CONTRACT TERMINATION

If the Contract is terminated or not renewed by the Group or Us, coverage ends for You and Your Enrolled Dependents on the date the Contract is terminated or not renewed.

WHAT HAPPENS WHEN YOU ARE NO LONGER ELIGIBLE

If You are no longer eligible as explained in the following paragraphs, coverage ends for You and Your Enrolled Dependents on the last day of the month in which Your eligibility ends. However, it may be possible for You and/or Your Enrolled Dependents to continue coverage under the Contract according to the COBRA Continuation of Coverage, Non-COBRA Continuation of Coverage, Conversion, or the Other Continuation Options provisions.

Termination of Your Employment or You are No Longer Eligible

If You are no longer eligible due to termination of employment or You are otherwise no longer eligible according to the terms of the Contract, coverage will end for You and all Enrolled Dependents on the last day of the month in which eligibility ends.

Nonpayment of Premium

If You fail to make required timely premium contributions, coverage will end for You and all Enrolled Dependents.

WHAT HAPPENS WHEN YOUR ENROLLED DEPENDENTS ARE NO LONGER ELIGIBLE

If Your dependent is no longer eligible as explained in the following paragraphs, coverage ends for Your Enrolled Dependents on the last day of the month in which their eligibility ends. However, it may be possible for an ineligible dependent to continue coverage under the Contract according to the COBRA Continuation of Coverage, Non-COBRA Continuation of Coverage, Conversion, or the Other Continuation Options provisions.

Divorce or Annulment

Eligibility ends for Your enrolled spouse and the spouse's children (unless such children remain eligible by virtue of their continuing relationship to You) on the last day of the month following the date a divorce or annulment is final.

Death of the Enrolled Employee

If You die, coverage for Your Enrolled Dependents ends on the last day of the month in which Your death occurs.

Termination of Domestic Partnership

If Your domestic partnership terminates after the Effective Date (including any change in status such that You and Your domestic partner no longer meet any of the requirements outlined in the definition of a dependent), eligibility ends for the domestic partner and the domestic partner's children (unless such children remain eligible by virtue of their continuing relationship to You) on the last day of the month following the date of termination of the domestic partnership. You are required to provide notice of the termination of a domestic partnership within 30 days of its occurrence. This termination provision does not apply to any termination of domestic partnership that occurs as a matter of law because the parties to

the domestic partnership enter into a marriage (including any entry into marriage by virtue of an automatic conversion of the domestic partnership into a marriage).

Loss of Dependent Status

- Eligibility ends on the last day of the month in which an enrolled child exceeds the dependent age limit.
- Eligibility ends on the date in which an enrolled child is removed from placement due to disruption of placement before legal adoption.

OTHER CAUSES OF TERMINATION

Members terminated for the following reason may be able to continue coverage under the Contract according to the COBRA Continuation of Coverage or the Non-COBRA Continuation of Coverage provisions.

Fraudulent Use of Benefits

If You or Your Enrolled Dependent engages in an act or practice that constitutes fraud in connection with coverage or makes an intentional misrepresentation of material fact in connection with coverage, coverage under the Contract will terminate for that Member.

Fraud or Misrepresentation in Application

We have issued the Contract in reliance upon all information furnished to Us by You or on behalf of You and Your Enrolled Dependents. In the event of any intentional misrepresentation of material fact or fraud regarding a Member (including, but not limited to, a person who is listed as a dependent, but does not meet the eligibility requirements in effect with the Group), We will take any action allowed by law or Contract, including denial of benefits, termination of coverage and/or pursuit of criminal charges and penalties.

FAMILY AND MEDICAL LEAVE

If Your Group grants You a leave of absence under an applicable state or federal family and medical leave law the following rules will apply. The federal Family and Medical Leave Act is generally applicable to private employers of 50 or more employees and public employers of any size. But state law may be applicable more broadly. You will be entitled to continued coverage under this provision only to the extent You are eligible for leave under the terms of the applicable law:

- You and Your Enrolled Dependents will remain eligible to be enrolled under the Contract during the leave for a period of up to 12 weeks, or as required by law, during a 12-month period for one of the following:
 - to care for Your newly born child;
 - to care for Your spouse, domestic partner, child, or parent with a serious health condition;
 - the placement of a child with You for adoption or foster care; or
 - You suffer a serious physical or Mental Health Condition.

During the leave, You must continue to pay the monthly premium through the Group on time. The provisions described here will not be available if the Contract terminates.

If You and/or Your Enrolled Dependents elect not to remain enrolled during the leave, You (and/or Your Enrolled Dependents) will be eligible to be reenrolled under the Contract on the date You return from the leave. In order to reenroll after You return from a leave, You must sign a new enrollment form as if You were a newly eligible employee. In this situation, if You reenroll within the required time, all of the terms and conditions of the Contract will resume at the time of reenrollment as if there had been no lapse in coverage. You (and/or Your Enrolled Dependents) will receive credit for any waiting period served before the leave and You will not have to re-serve any probationary period under the Contract.

Persons entitled to coverage under this provision will not be entitled to any other extension of benefits described in this section for the same situation that entitles them to coverage under this provision. Entitlement to leave does not constitute a qualifying event for COBRA continuation. However, a person who does not return to active employment following leave may be entitled to COBRA continuation

coverage. The duration of that COBRA continuation will be calculated from the date the person fails to return from the leave.

The provisions and administration described here are based on the requirements of, and will be governed by, the applicable law and any subsequent amendments and regulations. If any conflicts arise between the provisions described here and applicable law, the minimum requirements of the law will govern. This leave provision is available only to groups that are required by law to comply. The Group must keep Us advised regarding the eligibility for coverage of any employee who may be entitled to the benefits extended by an applicable leave.

LEAVE OF ABSENCE

If You are granted a temporary non-family and medical leave of absence by Your Group, You can continue coverage for up to three months. Premiums must be paid through the Group in order to maintain coverage during a non-family and medical leave of absence.

A leave of absence is an employer-granted period off work made at Your request, during which You are still considered to be employed and are carried on the Group's employment records. A leave can be granted for any reason acceptable to the Group. If You are on a family and medical leave under applicable law, You remain eligible under the Contract only for a period equivalent to legally required leave and may not also continue coverage under a non-family and medical leave.

If You and/or Your Enrolled Dependents elect not to remain enrolled during the leave of absence, You (and/or Your Enrolled Dependents) may reenroll under the Contract only during the next annual open enrollment period.

COBRA Continuation of Coverage

COBRA is a continuation of this coverage for a limited time after certain events cause a loss of eligibility. COBRA continuation does not apply to all groups.

If Your Group is subject to COBRA, COBRA continuation is available to Your Enrolled Dependents if they lose eligibility because:

- Your employment is terminated (unless the termination is for gross misconduct);
- Your hours of work are reduced;
- You die;
- You and Your spouse divorce, the marriage is annulled, or Your registered domestic partnership is terminated;
- You and Your non-registered domestic partner terminate the domestic partnership;
- You become entitled to Medicare benefits; or
- Your enrolled child loses eligibility as a child under this coverage.

COBRA also is available to You if You lose eligibility because Your employment terminates (other than for gross misconduct) or Your hours of work are reduced. (A special COBRA continuation also applies to You and Your Enrolled Dependents per certain conditions if You are retired and Your Group files for bankruptcy.)

There are some circumstances involving disability or the occurrence of a second one of these events that can result in extension of the limited period of continuation following a termination of employment or reduction in working hours. COBRA also can terminate earlier than the maximum periods.

General Rules

You or Your Enrolled Dependents are responsible for payment of the full premium for COBRA continuation, plus an administration fee, even if the Group contributes toward the premiums of those not on COBRA continuation. The administration fee is two percent or, during any period of extension for disability, 50 percent.

In order to preserve Your and Your Enrolled Dependent's rights with COBRA, You or Your Enrolled Dependents must inform the Group in writing within 60 days of:

- Your divorce or annulment, termination of registered or non-registered domestic partnership or a loss of eligibility of a child;
- Your initial loss of eligibility due to Your termination of employment or reduction in working hours and You experience another one of the events listed above; or
- a Social Security disability determination that You or Your Enrolled Dependent were disabled per Social Security at the time of a termination of employment or reduction in working hours or within the first 60 days of COBRA continuation following that event. (If a final determination is later made that You or Your Enrolled Dependent is no longer disabled per Social Security, You or Your Enrolled Dependent must provide the Group notice of that determination within 30 days of the date it is made.)

The Group also must meet certain notification, election and payment deadline requirements. It is very important that You keep the Group informed of the current address of all Members who are or may become qualified beneficiaries.

If You or Your Enrolled Dependents do not elect COBRA continuation coverage, coverage under the Contract will end according to the terms of the Contract and We will not pay claims for services provided on and after the date coverage ends. Further, this may jeopardize Your or Your Enrolled Dependents' future eligibility for an individual plan.

Notice

The Contract includes additional details on the COBRA Continuation provisions outlined here and complete details are available from Your Group.

Non-COBRA Continuation of Coverage

You and Your Enrolled Dependents are entitled to continuation of Group coverage benefits upon loss of eligibility for coverage.

The Group must notify You and Your Enrolled Dependents of this continuation right. If You and/or Your Enrolled Dependents do not receive notice, You may contact Us directly within 60 days following termination of coverage and elect continuation of coverage.

If You and/or Your Enrolled Dependents choose to continue coverage under this right, You must enroll in writing and pay the premium for such coverage within 60 days of coverage termination. You will be required to make timely premium payments to the Group. The Group may charge You and Your Enrolled Dependents a premium no higher than the current rate paid for coverage of a comparable Member (or Members) who lost coverage and the Group is not required to make any contribution toward premiums for continuation coverage. Where an enrollment form and premium are received within the 60-day period, the accepting Member's coverage continues, without interruption, from the date the Member's coverage was terminated.

This continuation of coverage will terminate when the first of the following occurs:

- You and/or Your Enrolled Dependents fail to make payment of premiums for the coverage to the Group within its established time frame;
- six months of coverage has elapsed from the effective date of continuation coverage; or
- the Group's coverage is terminated.

If the Group replaces coverage with a similar plan, those who have continued coverage may obtain coverage under the replacement policy for the balance of the period that they would have been allowed to extend benefits under the replaced coverage.

If Your Group is required to offer COBRA continuation of coverage, You may continue group coverage under both COBRA and this non-COBRA continuation of coverage. In almost all cases, COBRA offers greater benefits with fewer restrictions than this continuation of coverage. However, administration will be according to whichever law offers the greatest benefit to You. The maximum number of months You may continue coverage will never be more than the number available under COBRA.

After You and/or Your Enrolled Dependents exhaust non-COBRA continuation coverage, an individual policy may be available.

Conversion

When eligibility under the Contract terminates, You will be allowed to enroll under one of Our conversion plans if offered in Your Service Area and You are under age 65 and ineligible for Medicare.

We must receive Your application for one of Our conversion plans within 31 days following termination of coverage under this Contract. You will not be required to complete a health statement. Conversion plan benefits will be the standard individual medical and Hospital benefits coverage in effect at the date of conversion that We customarily offer to Members upon termination of coverage. Rates under the conversion plan will likely be higher than this Contract and benefits will likely be substantially less. Additional information is available by calling Customer Service.

If the Contract with the entire Group terminates and the Group transfers its health care plan to another Contract with Us, to another carrier or to a self-funded plan and You are covered under that plan, this conversion option does not apply.

Other Continuation Options

This section describes situations when coverage may also be extended for You and/or Your Enrolled Dependents beyond the date of termination.

Availability of Other Coverage

When eligibility under the Contract terminates at the end of or in lieu of any available COBRA continuation coverage period, or otherwise upon termination of this coverage, an individual insurance policy or Medicare supplement plan is available through Us. The policy or plan will have equal or lesser benefits than this coverage.

Strike, Lockout or Other Labor Dispute

If the Enrolled Employee's compensation is suspended or terminated directly or indirectly as the result of a strike, lockout or other labor dispute, the Enrolled Employee and Enrolled Dependents may continue coverage under the Contract during the dispute for a period not exceeding six months, by paying the necessary premiums for Your coverage through the Group. This provision will not apply if the Enrolled Employee and Enrolled Dependents are eligible for COBRA.

If You are employed under a collective bargaining agreement and involved in a work stoppage because of a strike or lockout, Your coverage can be continued for up to six months. You must pay the full premium, including any part usually paid by the Group, directly to the union or trust that represents You. The union or trust must continue to pay Us the premiums according to the Contract. This six months of continued coverage is instead of and not in addition to any continuation of coverage provisions of the Contract.

General Provisions and Legal Notices

This section explains various general provisions and legal notices regarding Your benefits under this coverage.

CHOICE OF FORUM

Any legal action arising out of the Contract must be filed in a court in the state of Washington.

ERISA (IF APPLICABLE)

This provision applies if the Contract is part of an employee welfare benefit plan regulated by the Employee Retirement Income Security Act of 1974 as amended (ERISA).

The Group intends that the Contract be maintained for the exclusive benefit of the employees and intends to continue this coverage indefinitely. However, the Group reserves the right to discontinue or change this coverage at any time. If the Group terminates the Contract for any reason and does not replace the coverage with comparable benefits, employees will receive ample notice. Employees will also receive instructions for converting their coverage to an individual plan.

Rights and Protection

Employees are entitled to certain rights and protection per ERISA. ERISA provides that all employees shall be entitled to:

- Examine without charge, at the plan administrator's office, all policy documents, including insurance policies and copies of certain documents filed by the plan administrator with the U.S. Department of Labor, such as detailed annual reports and policy descriptions.
- Obtain copies of documents governing the operation of the plan upon written request to the plan administrator. The plan administrator may make a reasonable charge for the copies.
- Continue, at their own expense, health care coverage of themselves, their spouses and children if coverage ends due to certain qualifying events.
- Review the summary plan description and governing documents of the coverage for rules and other details about such COBRA continuation rights.
- Receive a certificate of creditable coverage from group plans and health insurance issuers, free of charge, when the employee loses coverage, becomes entitled to COBRA continuation, exhausts COBRA continuation, and upon request within 24 months after losing coverage.

Duties

In addition to creating rights for employees, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries," have a duty to do so prudently and in the interest of employees and their dependents. No one, including the employer, or any other person, may fire an employee or otherwise discriminate against one in any way to prevent an employee from obtaining a welfare benefit or exercising their rights per ERISA.

If an employee's claim for a welfare benefit is denied (or ignored) in whole or in part, the employee must receive a written explanation of the reason for the denial. Employees have the rights to obtain copies of related documents without charge and to Appeal any denial within certain time frames. According to ERISA, there are steps they can take to enforce the above rights. For instance, if an employee submits a written request for certain materials from the plan administrator and does not receive the materials within 30 days, the employee may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay the employee up to \$110 a day until the materials are received, unless the materials were not sent because of reasons beyond the control of the plan administrator.

Denied Claims

If an employee has a claim for benefits which is denied (or ignored) in whole or in part, the employee may file suit in a state or federal court. An employee may also do so if they disagree with a decision or lack thereof concerning the qualified status of a domestic relations order or medical child support order. If fiduciaries misuse money, or if an employee is discriminated against for asserting their rights, employees

may seek assistance from the U.S. Department of Labor or file suit in a federal court. The court will decide who should pay court costs and legal fees. If an employee is successful, the court may order the person an employee has sued to pay these costs and fees. If an employee loses, the court may order the employee who sued to pay these costs and fees, for example, if it finds the claim frivolous. If an employee has any questions about the plan, they should contact the plan administrator.

If You Need More ERISA Information

If an employee has any questions about this statement or their rights per ERISA, or if they need assistance obtaining documents from the plan administrator, the employee should contact the nearest Field Office of the Employee Benefits Security Administration, U.S. Department of Labor (listed in the telephone directory) or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. Employees can also obtain publications about their ERISA rights and responsibilities by calling the publications hotline of the Employee Benefits Security Administration.

GOVERNING LAW AND BENEFIT ADMINISTRATION

The Contract will be governed by and construed in accordance with the laws of the United States of America and by the laws of the state of Washington without regard to its conflict of law rules. We are not the plan administrator, but are a health care service contractor that provides health care coverage to this benefit plan and makes determinations for eligibility and the meaning of terms subject to Member rights under this benefit plan that include the right to appeal, review by an Independent Review Organization and civil action.

GROUP IS AGENT

The Group is Your agent for all purposes under the Contract and not Our agent. You are entitled to health care benefits pursuant to an agreement between Us and the Group. In the Contract, the Group agrees to act as agent for You in acknowledging Your agreement to the terms, provisions, limitations and exclusions contained in this Booklet. You, through the enrollment form signed by the Enrolled Employee, and as beneficiaries of the Contract, acknowledge and agree to the terms, provisions, limitations and exclusions in this Booklet.

LIMITATIONS ON LIABILITY

In all cases, You have the exclusive right to choose a health care Provider. Since We do not provide any health care services, We cannot be held liable for any claim or damages connected with Injuries You suffer while receiving health services or supplies provided by professionals who are neither Our employees nor agents. We are responsible for the quality of health care You receive only as provided by law. In addition, We will not be liable to any person or entity for the inability or failure to procure or provide the benefits in this Booklet by reason of epidemic, disaster or other cause or condition beyond Our control.

MODIFICATION OF CONTRACT

We shall have the right to modify or amend the Contract from time to time. However, no modification or amendment will be effective until a minimum of 30 days (or as required by law) after written notice has been given to Members or to the Group. The modification must be uniform within the product line and at the time of renewal. Exceptions to this modification provision for circumstances beyond Our control are further addressed in the Contract. No modification or amendment of the Contract will affect the benefits of any Member who is, on the Effective Date of such modification or amendment, confined in a Hospital or other facility on an inpatient basis, until the first discharge from such facility occurring after such Effective Date.

NO WAIVER

The failure or refusal of either party to demand strict performance of the Contract or to enforce any provision will not act as or be construed as a waiver of that party's right to later demand its performance or to enforce that provision. No provision of the Contract will be considered waived by Us unless such waiver is reduced to writing and signed by one of Our authorized officers.

NONASSIGNMENT

Only You are entitled to benefits under the Contract. These benefits are not assignable or transferable to anyone else and You (or a custodial parent or the state Medicaid agency, if applicable) may not delegate, in full or in part, benefits or payments to any person, corporation or entity. Any attempted assignment, transfer or delegation of benefits will be considered null and void and will not be binding on Us. You may not assign, transfer or delegate any right of representation or collection other than to legal counsel directly authorized by You on a case-by-case basis.

NOTICES

Any notice to Members or to the Group required in the Contract will be considered properly given if written notice is deposited in the United States mail or with a private carrier. Notices to an Enrolled Employee or to the Group will be addressed to the last known address appearing in Our records. If We receive a United States Postal Service change of address (COA) form for an Enrolled Employee, We will update Our records accordingly. Additionally, We may forward notice for an Enrolled Employee to the Group administrator if We become aware that We don't have a valid mailing address for the Enrolled Employee. Any notice to Us required in the Contract may be mailed to Our Customer Service address. However, notice to Us will not be considered to have been given to and received by Us until physically received by Us.

PREMIUMS

Premiums are to be paid in advance to Us by the Group on or before the premium due date. Failure by the Group to make timely payment of premiums may result in Our terminating the Group's or Member's coverage on the last day of the month through which premiums are paid or such later date as provided by applicable law.

RELATIONSHIP TO BLUE CROSS AND BLUE SHIELD ASSOCIATION

The Group on behalf of itself and its Members expressly acknowledges its understanding that the Contract constitutes an agreement solely between the Group and Regence BlueShield, which is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans (the Association), permitting Us to use the Blue Shield Service Mark in the state of Washington, for those counties designated in Our Service Area, and that We are not contracting as the agent of the Association. The Group on behalf of itself and its Members further acknowledges and agrees that it has not entered into the Contract based upon representations by any person or entity other than Regence BlueShield and that no person or entity other than Regence BlueShield will be held accountable or liable to the Group or the Members for any of Our obligations to the Group or the Members created under the Contract. This paragraph will not create any additional obligations whatsoever on the part of Regence BlueShield other than those obligations created under other provisions of the Contract.

REPRESENTATIONS ARE NOT WARRANTIES

In the absence of fraud, all statements You make in an enrollment form will be considered representations and not warranties. No statement made for obtaining coverage will void such coverage or reduce benefits unless contained in a written document signed by You, a copy of which is furnished to You.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION AND MEDICAL RECORDS

It is important to understand that Your personal health information may be requested or disclosed by Us. This information will be used for the purpose of facilitating health care treatment, payment of claims or business operations necessary to administer health care benefits; or as required by law.

The information requested or disclosed may be related to treatment or services received from:

- an insurance carrier or group health plan;
- any other institution providing care, treatment, consultation, pharmaceuticals or supplies;
- a clinic, Hospital, long-term care or other medical facility; or

- a Physician, dentist, Pharmacist or other physical or behavioral health care Practitioner.

Health information requested or disclosed by Us may include, but is not limited to:

- billing statements;
- claim records;
- correspondence;
- dental records;
- diagnostic imaging reports;
- Hospital records (including nursing records and progress notes);
- laboratory reports; and
- medical records.

We are required by law to protect Your personal health information and must obtain prior written authorization from You to release information not related to routine health insurance operations. A Notice of Privacy Practices is available by visiting Our Web site or contacting Customer Service.

You have the right to request, inspect and amend any records that We have that contain Your personal health information. Contact Customer Service to make this request.

NOTE: This provision does not apply to information regarding HIV/AIDS, psychotherapy notes, alcohol/drug services and genetic testing. A specific authorization will be obtained from You in order for Us to receive information related to these health conditions.

TAX TREATMENT

We do not provide tax advice. Consult Your financial or tax advisor for information about the appropriate tax treatment of benefit payments and reimbursements.

WHEN BENEFITS ARE AVAILABLE

In order for health expenses to be covered, they must be incurred while coverage is in effect. Coverage is in effect when all of the following conditions are met:

- the person is eligible to be covered according to the eligibility provisions in the Contract;
- the person has enrolled in coverage and has been enrolled by Us; and

Experimental/Investigational means a Health Intervention that We have classified as Experimental or Investigational. We will review Scientific Evidence from well-designed clinical studies found in Peer-Reviewed Medical Literature, if available, and information obtained from the treating Physician or Practitioner regarding the Health Intervention to determine if it is Experimental or Investigational. A Health Intervention not meeting all of the following criteria, is, in Our judgment, Experimental or Investigational:

- If a medication or device, the Health Intervention must have final approval from the United States Food and Drug Administration as being safe and efficacious for general marketing. However, if a medication is prescribed for other than its FDA-approved use and is recognized as "effective" for the use for which it is being prescribed, benefits for that use will not be excluded. To be considered "effective" for other than its FDA-approved use, a medication must be so recognized in one of the standard reference compendia or, if not, then in a majority of relevant Peer-Reviewed Medical Literature; or by the United States Secretary of Health and Human Services. The following additional definitions apply to this provision:
 - Peer-Reviewed Medical Literature is scientific studies printed in journals or other publications in which original manuscripts are published only after having been critically reviewed for scientific accuracy, validity and reliability by unbiased independent experts. Peer-Reviewed Medical Literature does not include in-house publications of pharmaceutical manufacturing companies.
 - Standard Reference Compendia is one of the following: the American Hospital Formulary Service-Drug Information, the United States Pharmacopoeia-Drug Information or other authoritative compendia as identified from time to time by the federal Secretary of Health and Human Services or the Washington State Insurance Commissioner.
- The Scientific Evidence must permit conclusions concerning the effect of the Health Intervention on Health Outcomes, which include the disease process, illness or injury, length of life, ability to function and quality of life.
- The Health Intervention must improve net Health Outcome.
- Medications approved under the FDA's Accelerated Approval Pathway must show improved Health Outcomes.
- The Scientific Evidence must show that the Health Intervention is at least as beneficial as any established alternatives.
- The improvement must be attainable outside the laboratory or clinical research setting.

Upon receipt of a fully documented claim or request for preauthorization related to a possible Experimental or Investigational Health Intervention, a decision will be made and communicated to You within 20 working days. - not primarily for the convenience of the patient, Physician or other health care Provider; and
- not more costly than an alternative service or sequence of services or supply at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's Illness, Injury or disease.
